## SECTION 3: AGREEMENT BETWEEN HOLDERS REGARDING THE BOUNDARIES OF THE TITLES TO BE REPLACED

Does the Department's digitized map show one or more mining titles held by a third party within 400 m of the titles that you wish to replace?

Yes. How many holders, other than you, hold claims within 400 m of your property?

Do the holders of titles located within 400 m of your property agree to the location of your claims as indicated on the Department's digitized map?

Yes. You may attach a summary document to this application for this purpose. Each document must be signed by the appropriate holder.

No. You must enter into and sign an agreement with each holder and append it to this application.

*You may use the form entitled "Agreement between mining rights holders on the boundaries of titles to be converted or replaced."*

## SECTION 4: DISTRIBUTION OF EXCESS WORK

How do you wish the excess work to be distributed? *Select the appropriate box.*

- Among all map designated claims.  
*\*If unchecked, the excess work will be distributed among all new map designated claims based on their surface area.*
- According to the actual location of the work  
*\*The holder must provide the distribution of the excess work and take into account the actual location of the work.*
